REACH Regulations

The REACH Directive EC/1907-2006 details chemicals of concern requiring reporting, and the obligations of manufacturers and importers with regard to those chemicals of concern that are contained in products for use in the European Union. It details registration obligations of both manufacturers and suppliers to assure compliance.

Vanamatic Company Declaration

We certify that all products manufactured by Vanamatic Company fully comply with the requirements of European Union Regulation (EC) 1907/2006 (REACH) and require no reporting:

- Under the structure of the REACH regulation,
 - Vanamatic Company is a manufacturer of “articles”, not a manufacturer of “substances” or “preparations”;
 - Our articles do not involve the “intentional release of substances”.
 - Accordingly, there is no registration, pre-registration, or Authorization requirement for the products we supply. ¶32 and Chapter 2 (3.3)
- As to the requirements of Article 33 of REACH, Duty to communicate information on substance in articles, we declare that none of the SVHCs listed in the REACH directive is present in Vanamatic Company’s products or packaging in a concentration equal to or above 0.1%, when produced from non-lead, steels, aluminums, or brasses as specified by customer .
- Vanamatic Company products which are made from leaded steel, aluminum, or copper alloys, as directed by our customer’s purchase order and print, will have lead content above the 0.1 threshold level. In these cases, Vanamatic provides information regarding that content on our written communications to our customer that the product contains lead, as required by Article 33 of REACH.
- Vanamatic Company is a third party manufacturer of articles, and as such has no duty to notify.

Vanamatic Company Commitment

Vanamatic Company commits to performing its due diligence regarding REACH compliance on a continual basis, as both the directive and the substances on the Candidate list (currently at 209 in number) are updated frequently.

To request additional information, please contact us.

Sincerely,

Steve K. Schroeder

Steve K. Schroeder

GENERAL SPECIFICATIONS

- AS9100:2016 / ISO 9001:2015 Certified
- Dimensions to ANSI 16.3 Pressure to ANSI 16.5 Class 150LB
- Fittings are ROHS Compliant
- Fittings for use with Air, Water, Oil and Steam
- Standard Steel Material Specification – C1215 and C12L14 - ASTM A108, ASTM A29
- Standard Stainless Steel Material Specification – Type 303 - ASTM A582
- Standard Stainless Steel Material Specification – Type 304 - ASTM A276
- Standard Stainless Steel Material Specification – Type 316 - ASTM A276
- Standard Aluminum Material Specifications – Type 2024-T351 – ASTM-B211
- Steel Parts – Bright Trivalent Plated Per ASTM B633 Service Condition 1, Type III – (Clear)
- Stainless Steel Parts – (Clean and Dry, No Passivation or Electropolish)
- Aluminum Fittings – Clear Conventional Type II Sulfuric Anodize
- Twist Jaw Hose Coupling for use with Air and Water. (Do not use in Steam applications)
- Hose Type: Rubber and Plastic – (See hose manufacturer specifications for compatibility)
- Clamps: Use band, worm-drive, or malleable bolt clamps
- Maximum Pressure: Band Type Fittings - 150PSI @72° F
- Maximum Pressure: Push On Fittings – 300PSI @ 72° F
- Twist Jaw Couplings – 110PSI @72°F - Maximum Temperature: 110°F
- Hose to Pipe Temperature Range: -40°F to +350°F (See hose mfg. specifications)
- Hose to Hose Temperature Range: -40°F to +350°F (See hose mfg. specifications)
- Hose to Pipe Vacuum Range: 29" Hg @ 72°F (See hose mfg. specifications)
- Hose to Hose Vacuum Range: 29" Hg @ 72°F (See hose mfg. specifications)

TERMS & CONDITIONS OF SALE

Acceptance: Vanamatic Company ("Seller") agrees to sell materials, products, and/or any other item ("Goods") to the customer ("Buyer") based on the terms and conditions herein described. The pricing for the Goods are based on these terms and only applicable to these terms unless otherwise specified.

Title and Risk of Loss: Prices quoted are F.O.B. Seller's facility unless otherwise agreed upon and specified in the Seller's quotation. Title and risk of loss or damage to the Goods shall pass to the Buyer as soon as the finished Goods leave the control of the Seller. Seller shall have a security interest in the Goods until full payment has been made by the Buyer.

Taxes Prices: Any local, state, U.S federal or foreign taxes or duties on the Goods shall be added to the price and paid by the buyer. All pricing in USD.

Payment Terms: Prices quoted require payment within thirty (30) days after the date of invoice, unless otherwise agreed upon and specified in the Seller's quotation. Buyer may select and pay within the discount terms without affecting the quoted prices.

- Terms: 1% 10 Calendar Days – Net 30 Calendar Days
- Prepayment for 6 months on all orders following a late payment

Stocking Distributor: Distributors may elect to distribute seller's goods without stocking ("direct order distribution") for a period of 6 months prior to establishing a distributor agreement. During the 6 month grace period distributors must order in accordance with the minimum quantities. Stocking Distributors must stock all Part Numbers identified with the (**) Part Number prefix to qualify for discount pricing (Dist. Price). The initial orders must include all (**) part numbers at the Minimum Quantity or higher. Upon completion of the stocking requirements, Stocking Distributors may order any quantity as long as each shipment meets a \$200.00 minimum value. Shipments under \$200.00 shall include shipping and handling charges of \$25.00. Prices quoted are ("USD").

Laws, Ordinances, and Regulations: Prices quoted cover normal laws, ordinances, and regulations as Seller may be accustomed to during the normal manufacture of products. Seller shall utilize reasonable efforts to cause the manufacture of goods to comply with its interpretation of applicable U.S. federal and state, safety, health, and environmental regulations. However, Seller shall not be responsible for any applicable laws, ordinances, codes, and/or regulations at any location where Goods are utilized by Buyer or Buyer's customers, unless otherwise agreed upon and specified in the Seller's quotation. The sale of Goods by Seller shall be governed by the laws of the State of Ohio.

Liability: Seller shall not be liable for any act, omission, result or consequence due to any act of God, casualty, labor dispute, shortage of material, loss of utilities, failure to deliver, and/or any other cause beyond Seller's reasonable control. Seller does not provide warranties or accept financial liability beyond that described in this document, unless otherwise agreed upon and specified in the Seller's quotation.

General Specifications: Distributors/Resellers and purchasers shall comply with Seller's General Specification page of this document.

Quality Rejects: Seller warrants that Goods are in accordance with the provisions specified in this document. Seller agrees to inspect, repair, or replace, at Seller's option, goods that fail to conform to provisions specified in this document. Seller shall not be responsible for freight charges in excess of those agreed upon and used in the normal transportation of the Goods to the Buyer. The Seller and Buyer may agree to inspection charges by the Buyer and/or a third party inspection firm without effect to the terms of this policy.

Warranty and Product Recall: Unless otherwise agreed upon and specified in the Seller's quotation, prices quoted do not include liability for any costs over and above those detailed in the Quality Rejects section of this document. Buyer assumes liability for any and all warranty claims and product recall obligations relating to the Seller's Goods.

Return and Restocking: Products purchased from Vanamatic Company, except special orders, may be returned within 30 days without being subject to a restocking fee. Original shipping and handling fees will not be refunded and return shipments must be prepaid. A Return Material Authorization Number (RMA) must be requested prior to any return. Returns after 30 days are subject to a 15% restocking fee. Special orders cannot be returned.

Indemnity: Purchaser shall indemnify and save harmless and defend Seller, its subsidiaries, division and affiliates, and their directors, officers, employees and agents from and against any and all claims, demands, actions, causes of action, losses, damages, liability and costs (including reasonable attorney's fees, taxes, penalties and interest (collectively "Claims")), of any nature whatsoever, for loss of or damage to property (whether same be that of third persons or of either of the parties hereto) and for injury to or death of persons (whether they be third persons or employees of Buyer, any subcontractor) in any manner arising out of incident to the sale and delivery of goods, except for loss, damage or injury caused solely by an act of negligence by Seller.

Custom Solutions:

Vanamatic is here to help you find what you need. If you do not find the hose barb and thread size combination from our standard fittings that fits your application needs, please share your application and product detail requirements and we will provide you with a custom quote.

B01 - Band Clamp Hose Barb to Hose Barb
Hose to hose couplings for
hose ID's from 1/8" to 1 1/4"

B02 - Band Clamp Hose Barb x Male NPT/NPTF
Fittings for hose ID's from 1/8" to 1 1/2"
and threads from 1/8" to 1 1/2"

H02 - Heavy Duty Hose Barb x Male NPT/NPTF
Heavy duty fittings for hose ID's 1/4"
to 1" and threads from 1/8" to 1"

H03 - Heavy Duty Hose Barb x Female NPT/NPTF
Heavy duty fittings for hose ID's 1/4"
to 1" and threads from 1/8" to 1"

H04 - Heavy Duty Hose Barb x Male BSPT
Fittings for hose ID's from 1/4" to 1"
and threads from 1/8" to 1"

H05 - Heavy Duty Hose Barb x Female BSPT
Fittings for hose ID's from 1/4" to 1"
and threads from 1/8" to 1"

P01 - Push-On Hose Barb to Hose Barb
Hose to Hose couplings for hose ID's 1/4" to 1"

P02 - Push-On Hose Barb x Male NPT/NPTF
Fittings for hose ID's 1/4" to 1"
and threads from 1/8" to 1"

P03 - Push-On Hose Barb x Female NPT/NPTF
Fittings for hose ID's 1/8" to 1 1/2"
and threads from 1/8" to 1 1/2"

P04 - Push On Hose Barb x Male BSPT
Fittings for hose ID's from 1/4" to 1"
and threads from 1/8" to 1"

P05 - Push On Hose Barb x Female BSPT
Fittings for hose ID's from 1/4" to 1"
and threads from 1/8" to 1"

Hy-Way Quick Acting Hose & Pipe Couplings
Quick acting hose and pipe couplings.
Twist type connection. Sizes 1 1/4", 1 1/2" & 2"
